

### **Triton Wear TEAM Program:**

If you're a competitive swimmer and you're not using Triton Wear, you're leaving a huge training tool out of your tool belt! Triton Wear is the world best competitive swimming metric calculator that provides swimmers and coaches the ability to accurately measure their individual training patterns, habits and skills on a daily and seasonal basis. You'll see exactly how you're performing in practice on each and every length, see where you're improving and see where you need to make up ground. It's the most impactful piece of hardware you can train with on a daily basis! It's changing how people all over the world swim faster!

"USING THE TRITON SYSTEM IS SIMPLE AND SEAMLESS.  
IT TAKES TWO MINUTES TO SET UP AND WE'RE ON OUR WAY."

Head Coach Kevin A.  
Ontario, Canada

"THIS IS A FANTASTIC TOOL THAT ALLOWS US TO TRY TECHNICAL CHANGES AND SEE HOW THEY EFFECT STROKE,  
PACING, AND OTHER ASPECTS IN REAL TIME AND OVER MANY WORKOUTS  
WITH A LARGE GROUP OF SWIMMERS."

HEAD COACH BRENT M.  
MCKINNEY TEXAS
